THE OSAGE LAND TREATY.

It was the intention of the Senate Indian Committee, originally, to report favorably upon the treaty with the Osage Indians, by which they sell to the Kansas Pacific Railroad Company their lands in Kansas, but there is now a strong disposition to reject the treaty. One fact contained in the treaty is that the land in question is conveyed to the railroad company at $1.25 per acre, while several members have said there is no doubt whatever of its actual value being $5 per acre.

Sad Fate of a Lover.—Miss A. Turner appeared at the Police Court, yesterday, to testify to the last contract of Orrin Sherman, a young man who had been arrested on the charge of stealing a watch. Sherman, it appears, was not to be thwarted, and he determined to commit suicide.
